

Bioscience Learning & Teaching Workshop Series 2015-16**Digital learning and assessment in the Biosciences:
approaches, successes & future horizons**

University of Glasgow
Tuesday 21st June 2016

Organisers:

- Chris Finlay, Pamela Scott and Michelle Welsh, University of Glasgow
- Matthew Lancaster and David Lewis, University of Leeds

10:00 – 10:30 Registration & Welcome

Morning Session: E-Assessment & Feedback

10:30 – 11:00 E-Assessment - Mrs Natalie Lafferty, Head of the Centre for
Technology & Innovation in Learning at the University of Dundee

11:00 – 11:15 Delegate Speaker 1 (10 min talk + 5 min of questions)

11:15 – 11:45 Optimising Feedback in the Digital Age- Professor Denise Whitelock,
Technology Enhanced Assessment and Learning, The Open
University

11:45 – 12:30 Group debate and discussion on developing e-assessment

12:15 – 12:45 Feedback from Group Discussions

12:45 – 13:30 Lunch & Informal Discussions

Afternoon Session: Digital Labs

13:30 – 13:55 The online digital lab – Dr Mark Hirst, The Open Science Lab Project

13:55 – 14:10 Delegate Speaker 2 (10 min talk + 5 min of questions)

14:10 – 14:25 Digital Support of the biomedical practical experience - Marcus
Hughes, ADInstruments

14:25 – 14:40 Delegate Speaker 3 (10 min talk + 5 min of questions)

14:40 – 15:30 Group debate and discussion on developing e-labs

15:30 – 16:00 Feedback from Group Discussions

16:00 – 16:30 Personal reflection – How will you change your practice?
